

# Full-extension for wooden drawers with grooved frame

## Quadro V6 Silent System

Load capacity 30 kg

- **Slide-on assembly** – simply place the drawer on the slides and push home
- **Silent System** – the integrated dampened closure mechanism lets drawers close gently and quietly
- The integrated roll-out prevention stops accidental opening
- Perfect vertical and lateral stability. The robust, resilient tracks ensure optimal slide action through precision-guided steel balls.
- Maintenance-free through self-cleaning ball tracks
- Flexibility through interchangeability – swap between Quadro partial and full-extension slides without changing cabinet, drawer or front panel dimensions!
